

Family Support Program – St George Newsletter

Hi to everyone.

Return to school has happened and I hope it went well for everyone.

I have included a Family Information Sheet. Please could you fill this out and return it to me as soon as you are able so we can update our records. Two stamped envelopes are also included for your use.

I have started to meet parents to look at the continuation of the individual Plans for 2007 and will be in contact shortly if I haven't caught up with you as yet.

Remember to contact me if you are interested in any of the training I sent on to you. This year I will be organising three presentations and the first one will be in March. The first presentation will be looking for feedback from parents as to the types of topics you require further information on. Hopefully there will be information on a new web site that Lifeline will be setting up specifically for Disability. I will keep you posted.

Looking forward to catching up with you shortly.....

Pauline
