

Family Support Program – St George Newsletter

I'm going on leave.....

This is to let all of you know that I will be on leave from Good Friday, 6 April and returning on Monday 23 April. If you have any questions or queries, please do not hesitate to call Mandy at the office on 4625 3415. Mandy will be able to direct any queries to Derek Tuffield, General Manager of Lifeline Darling Downs & South West QLD as he will be overseeing my work while I am away.

I have included the Support Plans for signatures. There are two copies, one for you to sign and return in the supplied stamped envelope and the other for your records. Remember the Plans are a 'working document in progress', please call me on my mobile 0427 734 950 even though I am away as I am the only other person familiar with your Plan and I am happy to discuss any queries you may have, otherwise contact me when I get back on the 23rd.

I have recently spoken to the people who are going to design the Family Support Program web site. If you have any ideas for the type of content please get in contact with me. This web site is to belong to the parents and I want it to reflect your needs and wishes. Suggestions so far have included links to as many disability specific sites as possible, a chat page where parents can chat to other parents, a page with 'good news stories', a page with training that is available and a page devoted to whatever you think is important – from recipes to good places to stay when in Brisbane for specialist appointments. The web site is important to all of us so I do want your participation.

For those of you who have not returned the 'Family Information' sheet please do so soon.

Have a great Easter break.....will be in contact after the 23rd April.

Cheers

Pauline
